**Dawnings**

Earlier this year our church was asked to participate in a retreat with other Kentucky churches. Nine of us went for this three day retreat. Since then a small group of church members has been meeting together with the purpose of seeking God and his dreams for our church, on growing in our reliance upon God for guidance, and on deepening our engagement with our world.

As this small group meets we have explored these themes: clarifying vision, deepening formation, and broadening engagement.

So, what have we been doing during our meetings? Of course you recognize that discernment is not a neat or linear process.

We've spent much time focusing on Scripture. We've done this by listening, journaling, and even working with clay. We've listened to one another's stories and how God has brought us as individuals into this church. We've prayed regularly for our church, one another, and this process. We've met together and listened to one another; we've been quiet before God. We've done a prayer walk throughout the building remembering what God has done in the past, celebrating what God is doing now, and hoping for what God will do in the future.

Over the next several weeks during our Wednesday Night Prayer Meetings I want to include you in some of our spiritual practices. I hope you'll participate with us during this time. I also ask you to commit to praying that God would continue to shape the ministry of our church. I ask that you pray for God to illumine the paths of the members of First Baptist Church. With his steadfast love and direction we will more faithfully be his ambassadors to the world both as individuals and as a church family.

Blessings,  
Ande
