Hey Church Family!

Lora and I would like to thank all of you for the tremendous outpouring of kindness surrounding Lora’s pregnancy and the birth of Ellery. Thank you all!

College Road Trip with Dr. Willard Reeves

Nine high school juniors and seniors went on a College Road Trip recently. We visited 7 campuses that the students chose to visit around the state of Kentucky. Dr. Willard Reeves and I accompanied this fine group of young men and had a great time getting to know them better over the weekend. The College Road Trip is a part of the FBCW Student Ministry that we want to continue to expand upon. We want our church to not only be a place to go on Sundays and Wednesdays, but a family that helps students connect to God’s plan for their lives.

It was a time where we could build relationships with the students in an informal setting. The group enjoyed campus visits, good food, and some fun times throughout the weekend. A big thank you to Dr. Reeves for spending his weekend with us.

If you see any event that you would like to attend with the students of FBC, please let me know. We are always looking for additional adults to be a part of the students’ lives. We have a tremendous amount of fun while growing closer to God through everything we do together.

Come and join us sometime!

— In Christ, Mike
