Taking a Journey

I really like transportation. I do quite a bit of my own repairs and modifications to all of my own vehicles whether they are two or four-wheeled. I enjoy working on things mechanical as well as digital machines. My father once gave me a repair manual for a Briggs and Stratton 5 horsepower gasoline engine as a gift when I was very young, one of the more treasured gifts that I recall as a young boy. I learned how four and two cycle engines, transmissions, gears and pulleys all worked. I also ruined more than my fair share as I learned, old cars, planes, trains and motorcycles. But I like the journey they provide.

My youngest son, Tanner, also enjoys playing with cars. You see, through his imagination, he has visited many planets, taken many passengers, captured or killed many ‘bad’ guys in his journeys. You may have noticed that he always has some of his current favorite toys in his hands, ready at a moment’s notice, to take a journey. Those short lapses into an imaginary journey are his moments of joy and play. They are critical to the development of his sense of wonderment for the journey.

How does any of that reflect on Christ? You have heard it all before. He walked among men yet was God. He is everywhere and omnipotent. His Spirit moves within me to the point of taking my breath. I feel His power in me when we sing, speak His name and when we cry in pain or anguish.

I think we have to be able to imagine the journey to take that leap of faith for the grace of God to fully sink into our feeble little minds. Something so large and so overwhelming as Salvation is granted to someone as small and insignificant as I am. Take His journey and imagine what you can do for others around you as you journey with Christ on this earth. You are His.

“For we are His workmanship, created in Christ Jesus for good works, which God prepared beforehand that we should walk in them.” (Ephesians 2:10)
