*How we read the Bible is as important as when we read the Bible. If we pick it up and read it like we'd read a newspaper we'll only get details. If we read it as we would read an encyclopedia or an article on Wikipedia ... we'll only get information. But if we can sit with it as we would visit a friend, sharing time, insights, what we've been going through and how it is weighing on us, then we are open to allowing God to speak to us in a word or a verse, a phrase or an image that has the potential to speak deeply to our hearts.*
