In-Person Worship - What You Can Expect

We are very excited to resume in-person worship gatherings. With that said, this is a time to proceed with caution, so if you are in the riskiest categories or if you feel uneasy about returning at this point, we encourage you to participate via our online offerings. The following precautions have been developed by the staff and deacons in consultation with health officials and with other religious organizations.

Precautions

- At first, we will only resume Sunday morning worship.
- There will be no Adult Choir and Praise First will model distancing.
- We encourage all worshipers to wear masks. (We will have masks available.)
- We encourage you to arrive early for worship and enter by the doors at the back of the Sanctuary or by the door at the top of the ramp.
- We will suspend our 'Meet and Greet' during the service.
- A box will be available for tithes and offerings. You may also give online or mail contributions to the church.
- *Social Distancing* - will be modeled on the platform.
- Every other pew will be blocked off.
- Families will be encouraged to sit together.
- All others should be 6 feet apart.
- Please observe one person at a time in the restrooms.
- At first we will not provide nursery care or children's church, but we will provide additional children's worship materials and we will dedicate a portion of the worship time for the children.
- Bulletins will not be handed out but will be set out on a table for worshipers who would like to have them.

FIRST BAPTIST CHURCH ANNOUNCEMENTS

****Shoebox Ministry:** As in the past, the Missions Committee will be asking for help with the shoebox ministry. As you may recall, these boxes go to Missionary Scarlett Jasper for her work in nine counties here in Kentucky. In these Kentucky counties, many residents are living in persistent poverty. For example, our neighboring county, McCreary, is listed as the poorest county in the U.S. Please plan to participate in this project. Scarlett is not sure, at the present time, how this project will look, but *it will* continue in some form. Pray for Scarlett and her ministry in this region. **If you have questions, please call Pat Ramey, Missions Committee Chair.**

****New Ministry Opportunity:** Fidget Blankets, also known as sensory blankets, are a real need to help aid with patients in rehab facilities, as well as, those who struggle with learning disabilities and dementia. We could order them, but they can be quite expensive or, we could make them! **If you would be interested in being a part of this new ministry, please call Norma Dunston at 606-521-7885 or the church office.**

****Food Pantry:** The Food Pantry Ministry continues at First Baptist Church, even as we are limited due to COVID-19. Food Pantry has met needs through curbside service every month. We could use some help in two areas.

1. There are certain hard to get items. We need peanut butter and boxes of saltine crackers. You could pick some of these up when you go to the grocery and drop them off at the church office.
2. We need a few extra volunteers. *Our next Food Pantry will be Wednesday, August 19th from 4:30 PM—5:30 PM.* It is entirely curbside with limited contact and masks all around! **If you could help, call the church office at 606-549-0280.**
