

## **In-Person Worship - What You Can Expect**

We are very excited to resume in-person worship gatherings. With that said, this is still a time to proceed with caution, so if you are in the riskiest categories or if you feel uneasy about returning at this point, we encourage you to participate via our on-line offerings.

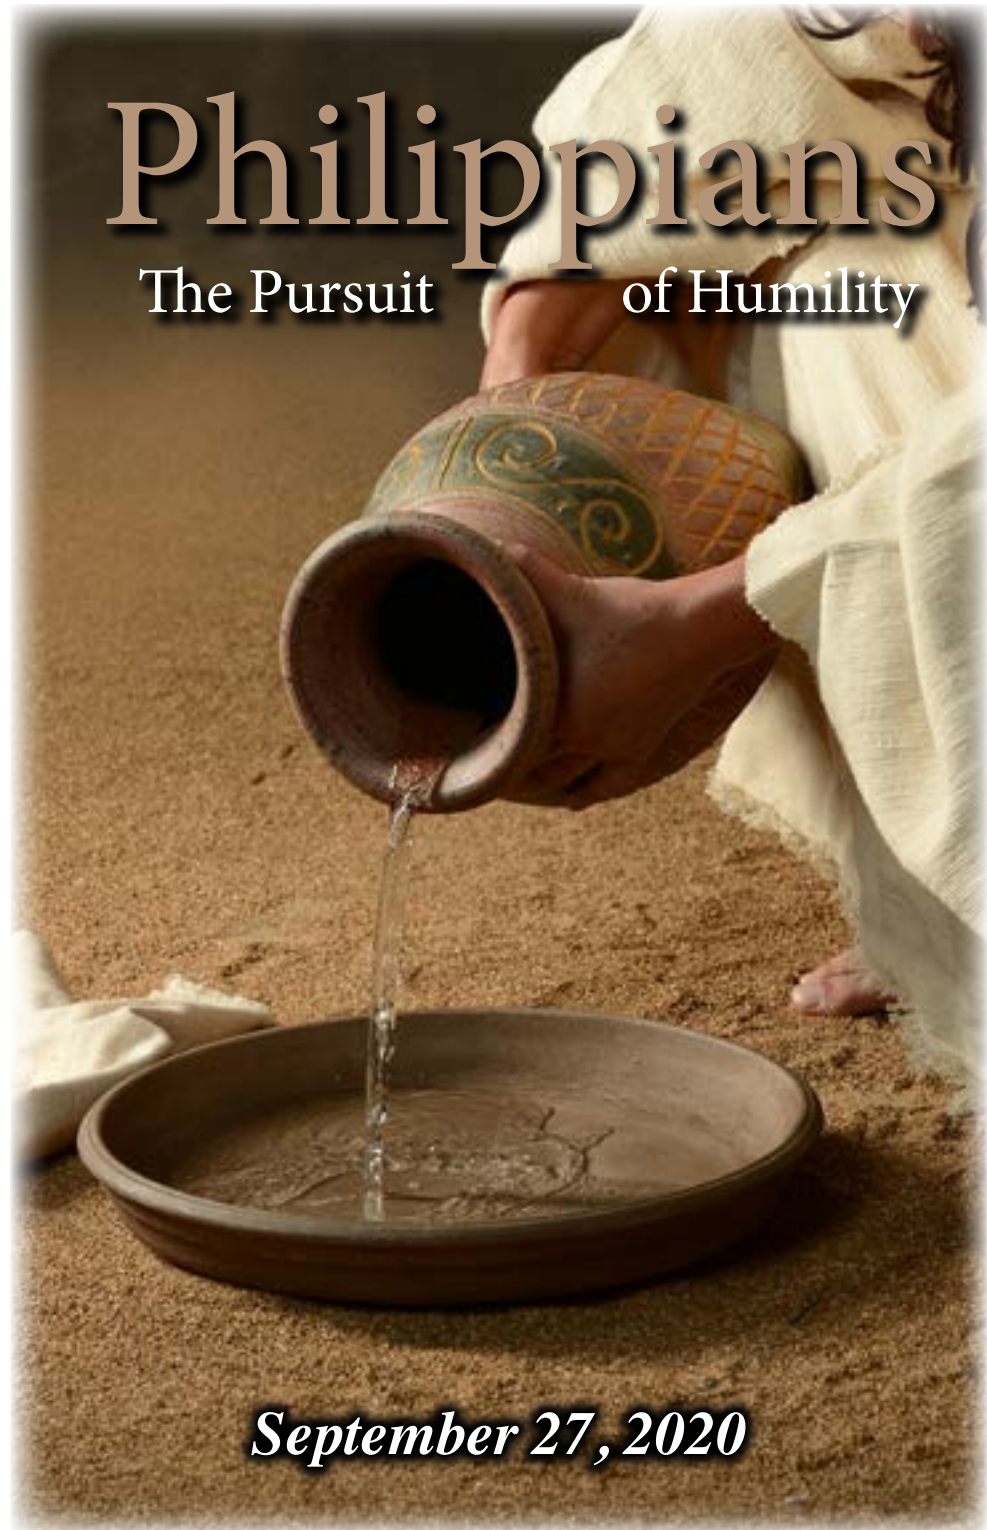

The following precautions have been developed by the staff and deacons in consultation with health officials and with other religious organizations.

### *Precautions*

- At first, we will only resume Sunday morning worship.
- There will be no Adult Choir and Praise First will model distancing.
- We encourage all worshippers to wear masks. (We will have masks available.)
- We encourage you to arrive early for worship and enter by the doors at the back of the Sanctuary or by the door at the top of the ramp.
- We will suspend our 'Meet and Greet' during the service.
- A box will be available for tithes and offerings. You may also give on-line or mail contributions to the church.
- *Social Distancing* - will be modeled on the platform.
- Every other pew will be blocked off.
- Families will be encouraged to sit together.
- All others should be 6 feet apart.
- Please observe one person at a time in the restrooms.
- At first, we will not provide nursery care or children's church, but we will provide additional children's worship materials and we will dedicate a portion of the worship time for the children.
- Bulletins will not be handed out but will be set out on a table for worshippers who would like to have them.

**\*\*From the Heart - Connecting and Sharing:** This time of COVID and the complications associated with it has provided time for a pause. What have you created during this pause? Have you journaled, written a poem, painted, sketched, etc.? If so, send a copy of your creation to **fbcbwoffice@gmail.com** and it might be shared with the church family via email starting Wednesday, September 30th.

**\*\*The Quilting Ministry:** There are several “almost” completed lap quilts that need to be finished by people who like to quilt. The Quilting Ministry created these to be given to newborns in the church, and has given many to the Whitley County Health Department for newborns in our community. If you would be interested and willing to complete these gorgeous creations, stop by the church office. There are sewing machines available for use in the quilting room or you may take the materials home for use on your own machines. If you have any questions, please call Norma Dunston, Pat Ramey, or Teresa Etter.

**\*\*Fidget Pads:** Several in our church and community have expressed a need for fidget pads for family members with dementia. These are place-mat size pads with a variety of sensory activities to keep minds and fingers active and engaged. We have fabric, batting, and thread. Items needed are textured fabric such as corduroy, denim, seersucker, and other washable fabrics with a different feel to them. We also need short zippers (4-6 inches), washable trims, buttons, etc. Contact Norma Dunston, Pat Ramey, or Teresa Etter for more information.
